

Rationale and Instructions: It is a federal requirement that Sponsoring Organizations determine the ethnic/racial category of the population in the area served by their day care program(s). If you do not have another source of population information that more exactly describes your target area, you may use the data listed below to complete the Civil Rights Questionnaire.

1. Locate the county or counties served by your Sponsoring Organization.
2. Transfer the percentages of the ethnic/racial composition of the population of each to the chart on the Civil Rights Questionnaire. (Attach additional sheets if more than two counties are served by your organization.)
